

SELECTED PLENARY/INVITED LECTURES AT INTERNATIONAL CONFERENCES

New Horizons in Toric Topology, Manchester, U.K., 2008.

Invited lecturer.

Differential Equations and Topology Moscow, 2008.

Sponsored by the Russian Academy of Sciences, Invited lecturer.

Geometry, Topology, Algebra and Applications, Moscow, 2010

Sponsored by the Russian Academy of Sciences, Invited lecturer.

Toric Methods in Homotopy Theory, Belfast, U.K., June 2011

Invited lecturer.

Toric Topology and Automorphic Functions, Khabarovsk, Russia, 2011

Plenary lecturer.

Panorama of Topology, Princeton University, May 2012

Invited lecturer.

Toric Topology in Osaka, Japan, 2014

Invited lecturer.

Topology of Toric Actions and Applications to Geometry

Satellite meeting of the ICM, August 2014, Daejeon, Korea, Invited lecturer.

Torus Actions in Geometry, Topology and Applications February 2015

Skoltech Institute, Program in Mathematics, Moscow, Invited lecturer.

Combinatorial Constructions in Topology, Regina CA, August 2015

PIMS Group: *Applied Algebraic and Geometric Topology*, Invited lecturer.

In Memory of Samuel Gitler, El Colegio Nacional, Mexico, 2015

Invited lecturer.

Torus Actions: Topology, Geometry and Number Theory, October 2015

Chinese Academy of Sciences, Beijing, China, Invited lecturer.

Winter Meeting of the Canadian Mathematical Society, December 2016

Session: *Equivariant topology and Geometry*, Invited lecturer.

Algebraic Topology, Combinatorics, and Mathematical Physics, May, 2018

Steklov Mathematical Institute of Russian Academy of Sciences, Moscow,

Skolkovo Institute of Science and Technology, Plenary lecturer.
